TEXTE ZUR KUNST is a quarterly German/English magazine available in more than twenty countries through art book stores or subscription.

TEXTE ZUR KUNST was founded by Isabelle Graw and Stefan Germer (†) in Cologne in 1990 and has been published in Berlin since 2000. The magazine promotes contributions and discussions by internationally acclaimed writers on contemporary art, film, music, fashion, and politics. Each issue is dedicated to a specific theme that intersects with these and other interests.

For each issue, 2-3 internationally renowned artists support TEXTE ZUR KUNST with exclusive artists' editions that can be ordered online.

TEXTE ZUR KUNST has a wide readership, from professionals in the arts and culture spheres to academics to students and those interested in the arts more generally.
